Dear sir. - I have spent all the morning
trying to complete a set of West Am. Scientist
for you but have only succeeded in doing up
Nos. 12 to 66 inclusive Nos. 3 to 11 I will probably
find sooner or later & will send. Of Nos. 20-
25 I can supply only one more set I find.
The above will be mailed when I mail another
issue - probably in a week or two.

I expect to travel in Mexico this
year collecting - have you any com-
missions for me?

Sincerely
C. R. Orcutt.
